PUBLIC INSTRUCTION -- SCHOOL DISTRICT OPERATIONS

Modify Distribution of School Performance Reports

Motion:

Move to eliminate the requirement that each school board distribute to the parent or guardian of each pupil enrolled in the school district and charter schools located in the district a school and school district performance report. Require each school board post the school performance reports of each school in the district on the district's website. Require each school board to provide a printed copy of the report upon request.

6/1 TC w/Layla - Asked what if report not avail or completed?
Suggests -> produce most current report.
She said that was OK.

Note:

The State Superintendent is required to develop a school and school district performance report that provides comprehensive data on school performance and student achievement. The contents of the school performance report are organized into two broad categories, student performance indicators, consisting primarily of state and national standardized test results, and opportunity-to-learn indicators, which include advanced coursework offered, revenues and expenditures, pupil/staff ratios, attendance, retention, dropouts, extracurricular activities and graduation requirements. Currently school boards are required to distribute to each parent or guardian or give to each pupil to bring home to his or her parent or guardian a school and school district performance report. The reports for all schools and districts in the state are currently posted on the DPI website.

2001 ASSEMBLY BILL 401

May 15, 2001 - Introduced by Representatives PETROWSKI, LIPPERT, JESKEWITZ, SUDER, KYBA, STARZYK, HAHN, MUSSER, RHOADES, FRISKE, HUBER and SYKORA, cosponsored by Senator DARLING. Referred to Committee on Education Reform.

1 AN ACT *to amend* 121.02 (1) (o), and *to repeal and recreate* 115.38 (2) of the
2 statutes; ~~relating to:~~ school and school district performance reports.

Analysis by the Legislative Reference Bureau

Under current law, each school board must annually distribute to the parent or guardian of each pupil enrolled in the school district a copy of the school and school district performance report, which contains information such as scores on statewide pupil examinations and attendance and retention rates. This bill requires instead that the school board send each parent or guardian a notice that the report is available upon the parent's or guardian's request, produce a copy of the report upon request, and, if the school district maintains an Internet site, make the report available to the public at that site.

For further information see the *local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

“ (b) 2641m.

SECTION 4, 115.38 (2) of the statutes is repealed and recreated to read:

115.38 (2) Annually, by May 1, each school shall send the parent or guardian of each pupil enrolled in the school district a notice that the school and school district
